

Community Activities

Morning Tai Chi

There is the possibility that one of our guests, Joe, could lead a Tai Chi session in the mornings from 7:30 - 8:30. We can invite the community of Pari to join us.

Music and Dancing

On Saturday evening after dinner, we can have music in the main piazza and invite the village to join in an evening of dancing.

Village Walk

One morning or afternoon we can take a walk in the countryside with members of the community who can talk about local vegetation and the history of the area.

Fire Circle

On the last evening we could have a bonfire on local land after dinner and invite the community to join. Wine and singing!

Breakfast at Gila's

It is a Pari Center tradition to take our groups one morning to Gila and Burkhard's farm for breakfast. It's a beautiful spot and a great breakfast!
